SUPPLEMENT TO
REPORT NO. [REDACTED]

Handwritten: 3345

The closing of the Elektrobau Sondershausen and the removal of the scientists and technicians employed there was to take place by mid-May, coinciding with the completion of mobile laboratories (sic, launching units?) for the "Wasserfall" installed in trucks. This order was cancelled at the beginning of May with the assignment of a new project for which RM. 1,500,000 were put at the disposal of the Elektrobau.

25X1A

Comment: The dissolution of the Elektrobau Sondershausen had appeared imminent following the visit of a Russian commission in March 1948, [REDACTED]
